## Planting by the Moon – January 2011

2011 is the time of inner peace. People everywhere are re-assessing their lives, selflessness and kindest will replace egotism and conceit. Enjoy more time with loved ones and friends, do things together that make you happy.

Remember to smile, and, remember 'laughter is the best medicine'.

- 1 Jan Happy New Year!
- 4 Jan New Moon. Partial eclipse.
- 5-6 Jan This is the next best time (this month) to propagate/plant out leafy annuals.
- 8-10 Jan Best time for leafy annuals – a bit hot and wet, but try Oak- leaf lettuce (under shade cloth), basils and cresses.
- 14-15 Jan This is the next best time for fruiting annuals.
- 18-19 Jan Best time for fruiting annuals – passionfruit vines, winged beans and chillis.
- 24-26 Jan Next best time for root crops . Excellent time for striking perennials .
- 27-31 Jan Garden maintenance time – get rid of those weeds, mow the lawn etc.

Good Plantings – *Lirva*.
