Planting By The Moon

BY LIRVA

Planting by the Moon – September 2011

This is the time to be practical and down-to-Earth. Concentrate on details and ensure all tasks are completed efficiently and on time. Good time to check your health and diet and get in shape for summer.

- | | |
|-------------------|--|
| 1 Sept | This is the next best time to sow or plant out leafy annuals. |
| 2-3 Sept | Best time for leafy annuals – silver beet, bay, rosemary and flowering annuals. |
| 6-8 Sept | Next best time for fruiting annuals – tomatoes, beans and capsicum' |
